Welcome to ILAC International High School

What if one opportunity
could **change your life?**

Shaping Student Futures

ILAC International High School was created with the goal of helping students build confidence, maturity, and a skillset that will give them endless opportunities to grow.

We believe that a diverse classroom experience and improving your academic English skills are the key to success. We are committed to providing the support and expertise that will make a difference and guarantee an international experience for our students.

Study in beautiful downtown Toronto

Located in the **heart of Toronto**, Canada's most cosmopolitan city. Toronto is home to citizens representing over 200 different ethnic and national backgrounds. Students will get a unique urban experience where they will gain the skills to succeed in an ever-changing multicultural world.

The **Growth Campus** is conveniently located by the Bloor-Yonge station, and it represents our commitment to constant growth and improvement. This boutique-style campus is **second to none**, and at the heart of the city, provides the perfect environment for students to learn, socialize, and experience true urban life.

Dedicated Support **Every Step of the Way**

We believe that with the right support, students can have a rewarding experience and a smooth ride to achieving their goals. We have Counsellors ready to assist students with finding the right study plans for their own academic journey. No matter where you come from, there is an opportunity in higher education for you and our Counsellors' main purpose is to help you find those opportunities and get you ready to seize them.

The ILAC Education Group has hundreds of partners in Canada, USA, and Europe to make sure you have access to the best international education available. Our Counsellors will also be there for you along every step of the application process and transition to higher education. We vow to make sure you are supported and cared for since day one. With ILAC International High School, you can expect:

- **Guidance Counseling Services**
- **Career Counseling**
- **Support for Academic Pathway Decisions**

With **almost 30 years of experience**, the ILAC Education Group is perfectly poised to provide excellent, round the clock support for students looking for guidance and direction.

Let us be your support system so the only thing you have to worry about is learning, growing and thriving!

Student Experience

At ILAC International High School you will find the ultimate student life experience. Through extracurricular activities, students build soft skills, socialize, and immerse themselves in a different culture in ways that enrich their world view.

From social and cultural activities such as field trips, to educational opportunities such as language classes, our goal is to provide unique student experiences.

The ILAC Education Group is a leader in language learning, so language classes are an integral part of the ILAC High School experience. Students will be able to take elective classes learning different languages such as Spanish, Portuguese, Korean, Japanese, Vietnamese, Mandarin, French, Turkish, and more.

- **Student field trips to beautiful destinations**
- **Social events with your peers**
- **Signature events & holidays**
- **Raptors exclusive events**
- **Prom night in December and June**
- **Student clubs**
- **and more!**

Student Clubs at ILAC International High School

At our school, clubs are more than just extracurricular activities—they're a chance for students to lead, create, and connect. Every club is student-led, with Presidents managing budgeting, event planning, and coordination under teacher supervision. Students can also propose new clubs by submitting an application form.

Here are some of the vibrant clubs currently running this term:

STEM Club

Our STEM Club empowers young innovators to explore science, technology, engineering, and math beyond the classroom. Highlights:

- **Students have participated in prestigious national competitions like Math Kangaroo and the National Biology Competition by the University of Toronto.**
- **Dedicated training sessions are provided by our teachers to help members prepare and succeed.**

Board Game Club

Strategy, storytelling, and fun come together in this creative and collaborative space. Highlights:

- **Weekly game sessions where the “Player of the Week” got to shape the storyline of our custom comic book series Dice Adventure, which just wrapped its final chapter.**
- **The Club President will host a Board Game Tournament with exciting prizes for the champion.**

Dance Club

Perfect for students who want to stay active and express themselves through movement. Highlights:

- **The club runs alongside after-school dance classes, offering students a fun and energizing way to end their day.**
 - **Open to all skill levels — just bring your energy and your moves!**
-

Want to Start Your Own Club? We love student initiative. Students interested in starting a new club can apply by submitting a Club President Application Form. As a Club President, you'll:

- **Lead and inspire fellow students**
- **Handle basic budgeting and inventory**
- **Organize meetings and club activities**

Let your passion lead the way — clubs are where leadership and creativity thrive at ILAC International High School!

Community Engagement

At ILAC International High School we want our students to become well-rounded young adults. We provide opportunities to nurture our students' sense of self, community and leadership.

Demonstrating leadership skills and initiative is crucial to a successful college or university application in North America. This is why we make sure our students **push themselves to the best version of themselves** so they can fulfill those requirements.

Some of the activities they participate in to develop these skills are volunteering hours, involvement with local charities, and student clubs. Community engagement is part of the student experience, both academically and socially, and we foster this environment proudly.
